A collage of professional images. At the top right is a group of five business professionals (three men and two women) standing in a row, smiling. In the center is a doctor wearing a white coat and stethoscope, looking down at an MRI scan of a brain held by a patient. On the left, a close-up shows a hand holding a silver pen over a document with a grid of numbers, likely a financial statement or insurance application. The overall theme is professional services, specifically related to insurance and healthcare.
